Port Elizabeth View

Bequia, Ocar

US$ 648,500 | SQ FT 2222 | 3 | 3

Details

A Contemporary Hillside Villa with Harbour Views & Flexible Income Potential Positioned on a sun-filled hillside in Ocar, overlooking the full sweep of Admiralty Bay, Port Elizabeth View is a warm, contemporary Caribbean property offering exceptional views, excellent walkability, and the flexibility to be used as a private residence, income-producing villa, or a combination of both. Designed with relaxed island living in mind, the property is arranged across upper and lower levels, allowing it to function either as a single private villa or as two self-contained apartments — a rare and valuable configuration in this location.
