Details

Villa Morberg is a striking luxury villa for sale in Bequia, set on a naturally breezy hillside in the exclusive residential area of Belmont. Designed by the Royal Architect of Sweden, the property combines architectural pedigree with a highly flexible layout, making it equally appealing as a private residence or a high-performing rental investment. The villa offers four bedrooms and five bathrooms, comfortably accommodating 8–10 guests, and features a private infinity-edge pool overlooking Admiralty Bay. Its elevated position captures uninterrupted sea views and cooling trade winds throughout the year.
