Details

A Private Hillside Estate with Harbour Views & Exceptional Grounds Discreetly positioned within one of Bequia's most established residential neighbourhoods, Belmont Estate is a classic Caribbean villa set across just under 2 acres of prime sloping land, enjoying commanding views over Lower Bay, Admiralty Bay, and West Cay in the distance. Designed by acclaimed Italian architect Mario Spinella, the estate was conceived for relaxed island living – generous in scale, rich in natural light, and perfectly attuned to its surroundings.
