Rental Details

Perched atop an elevated spot, Crescent Beach House offers unobstructed views of the bay that stretches out before it. From the multi-levelled terraces, guests can marvel at the mature coconut palms swaying in the gentle breeze while the expansive beach invites them to soak up the sun. In addition, this impressive villa boasts not one but two swimming pools – a lap pool on the upper level and a plunge pool on the lower level – ensuring that guests can take a refreshing dip whenever they feel like it. This luxurious villa is part of a 4.
