## Rental Details

The Villa Balliceaux House is a thoughtfully designed retreat that blends modern architecture with subtle Indonesian influences. Built from Brazilian Greenheart timber and local Bequia stone, the villa is both sustainable and visually striking. Its open-plan layout is tailored for tropical living, allowing natural light and the cooling Atlantic trade winds to flow easily through the space. Designed with comfort and ease in mind, it's the kind of home where guests can truly relax, surrounded by nature and tasteful design.
