Rental Details

Sandrock is an iconic luxury villa set within the dramatic hillside community of Moonhole, Bequia, offering sweeping ocean views, striking architecture, and complete privacy. Carved into the rock and designed to blend seamlessly with its natural surroundings, Sandrock is one of Bequia's most distinctive private villas. Ideal for couples, families, or small groups seeking a truly unique Caribbean experience, Sandrock combines natural materials, open-air living spaces, and uninterrupted views across the Grenadines. The villa's elevated position captures cooling trade winds and spectacular sunsets, while still being within easy reach of Port Elizabeth's beaches, restaurants, and harbour.
