

# Natural Woodland Plots

Bequia, Friendship Bay

## Details

Elevated Building Parcels in One of Bequia's Most Prestigious Bays Set high above the sweeping curve of Friendship Bay, these two neighbouring parcels present a rare opportunity to create a bespoke island residence in one of Bequia's most desirable coastal settings. Surrounded by mature woodland and lush tropical vegetation, the lots enjoy a peaceful, natural atmosphere while remaining within easy walking distance of Friendship Beach. Their elevated position offers open ocean outlooks without exposure to direct sea blast – a highly sought-after balance for long-term comfort and durability.
