Details

Perched above one of Bequia's most prized shorelines, A Shade of Blues is a beautifully finished contemporary villa capturing uninterrupted views over Admiralty Bay and Princess Margaret Beach. Completed in 2010 and designed with relaxed elegance, this exceptional residence combines architectural sophistication with seamless indoor-outdoor living – creating a luminous and inviting home that also thrives as a highly successful vacation rental. thegrenadinescollection.com

Multiple patios, balconies, and terraces surround the home, forming tranquil spaces to enjoy sea breezes, entertain guests, or watch yachts drift across the bay in ever-changing light.
