

Beachfront Sport Centre

Lower Bay

Details

Set directly on the sands of Lower Bay, the Sport Centre Lot is one of Bequia's most unique and versatile beachfront properties. Once a lively gathering place for the island community, it retains its authentic charm with a full-sized tennis court, open cricket pitch, yoga gazebo, and self-contained cottage surrounded by lush tropical greenery. A Rare Beachfront Opportunity Properties of this kind are virtually unheard of on Bequia – true beachfront, flat in terrain, and readily accessible. While it once hosted island sports and social events, the site now offers immense potential for a thoughtful new chapter.
