Details

Perched in the peaceful hills of Hope Estate—one of Bequia’s most treasured and naturally beautiful enclaves—this elegantly renovated villa offers a rare blend of privacy, flexibility, and breathtaking ocean views. Surrounded by lush greenery and cooling easterly breezes, the property embodies the relaxed sophistication that defines life in the Grenadines. Set within a gracious parcel of land, the villa has been thoughtfully reimagined into three luxury one-bedroom apartments, each with its own bathroom and private veranda. Whether envisioned as a secluded personal retreat, a multi-generational holiday home, or a high-performing rental investment, the property offers exceptional versatility.
