

Hope Estate Lots

Bequia, Hope Estate

Details

Private Coastal Lots & Estate Parcels Above Hope Bay Hope Estate is a privately owned 90-acre historic estate occupying an elevated coastal hillside above Hope Bay. Characterised by indigenous woodland, gentle ridgelines, and sweeping sea views, the estate offers a rare opportunity to acquire raw land parcels within a carefully controlled, low-density environment. The land slopes naturally from Paradise Ridge toward the coast below, providing excellent building sites, long views, and exceptional privacy across all available parcels.
