Details

A High End Private Hillside Residence with Panoramic Grenadine Views Set within approximately 1.75 acres of beautifully landscaped tropical grounds, Amani is a refined private residence positioned high within the peaceful hills of Spring Estate on Bequia's coastline. Elevated to capture cooling trade winds and sweeping panoramic views across Bequia and the surrounding Grenadines, the property offers a rare combination of privacy, tranquillity, and understated luxury. Originally formed from four individual plots, Amani enjoys an unusually secluded setting for a property with such expansive views.
